There was a beautiful outside today.
“Ah. It’s so refreshing.” Said Kason.

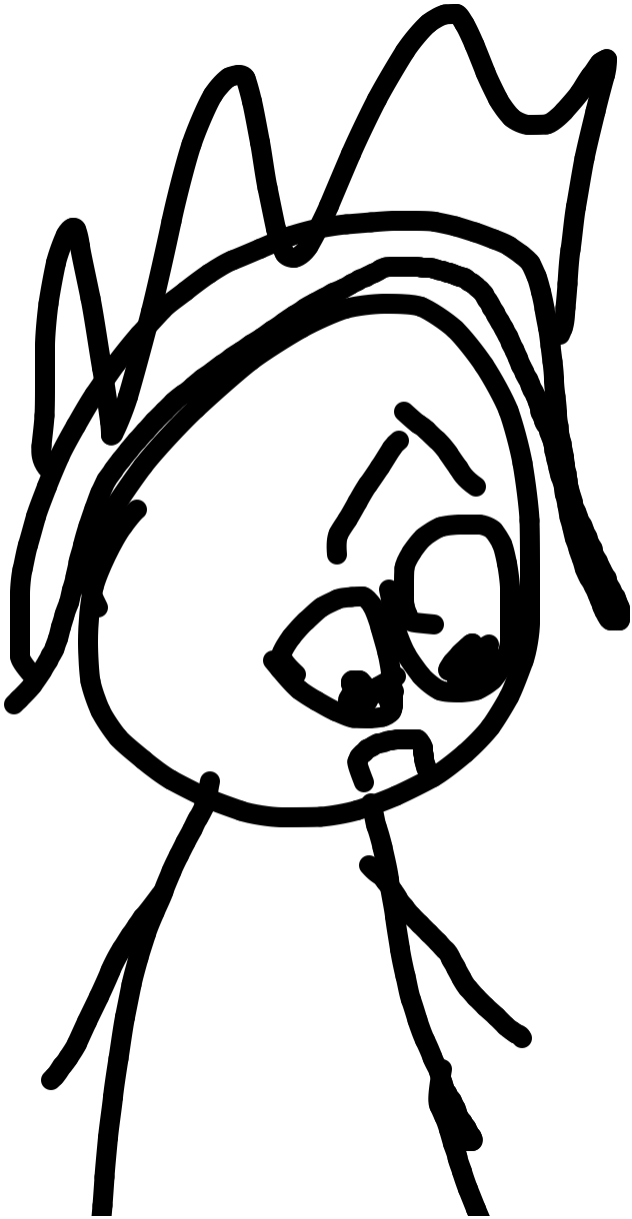
But Kason realized something.

There was a beautiful outside today.
“Ah. It’s so refreshing.” Said Kason.

But Kason realized something.

But the world dried off.

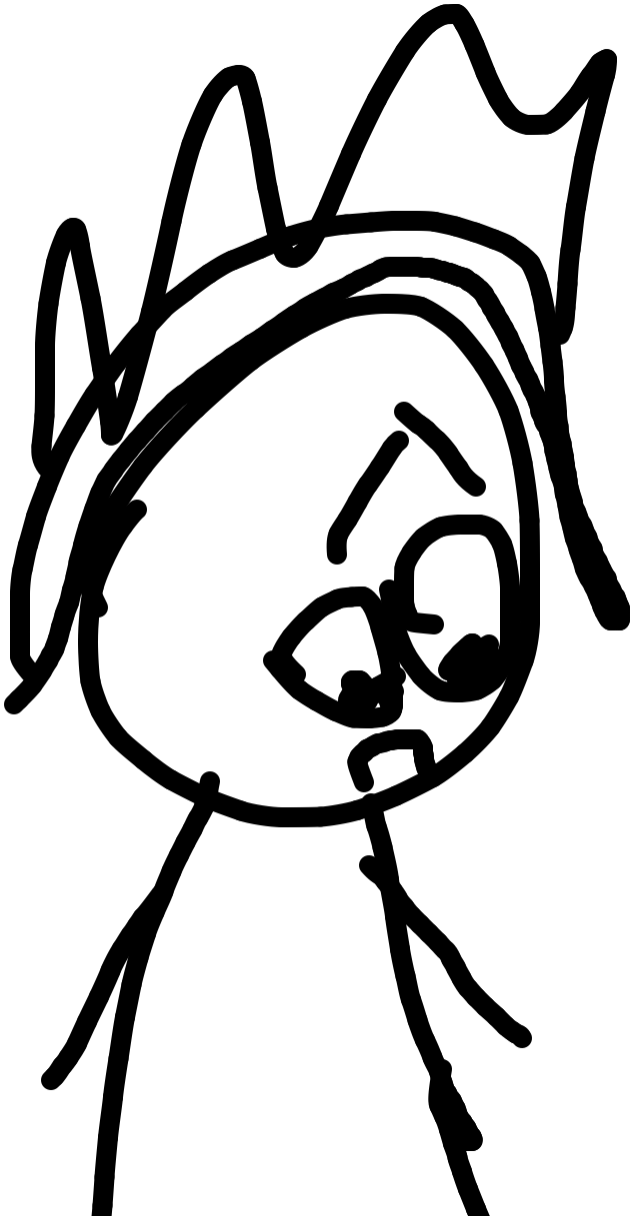
But the world dried off.



Kason felt sad when the plants and trees got dried

off.

Until then…..



Kason felt sad when the plants and trees got dried

off.

Until then…..

HE GOT MAD!

HE GOT MAD!

“GRRRR! WHAT’S WRONG WITH YOU!?” Yelled Kason. TODAY IS AN BAD DAY NOW!

Until he walked off.

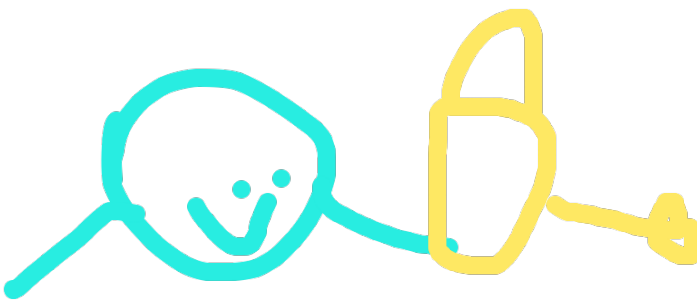
“GRRRR! WHAT’S WRONG WITH YOU!?” Yelled Kason. TODAY IS AN BAD DAY NOW!

Until he walked off.

“What’s wrong with the trees?” Said Blobby.
They look very sad.

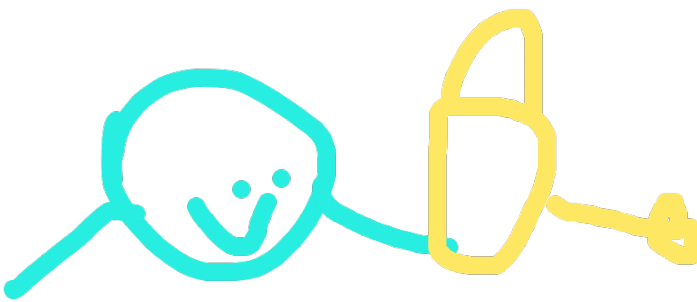
“What’s wrong with the trees?” Said Blobby.
They look very sad.

Until he got an idea.



He watered the plants
and trees.

Until he got an idea.



He watered the plants
and trees.

Kason got surprised.

He got happy and said
“YES! THIS IS THE BEST
DAY OF MY LIFE!”

Kason got surprised.

He got happy and said
“YES! THIS IS THE BEST
DAY OF MY LIFE!”
